With the extremely rapid spread of omicron and the fact that even 3 vaccinations do not provide a completely safe level of immunity, we ask that all visitors and residents exercise extra vigilance and caution. We may have to change our advice at short notice depending on government guidelines.

Name of Visitor	
Who you are visiting	
Date & time of arrival	

	Yes	No
Are you feeling unwell or have you experienced any of the symptoms associated with COVID-19 or new variant omicron in the last 7 days: <ul style="list-style-type: none">• A new persistent cough?• A fever (a temperature at or above 37.8°C)?• The loss of or a change in your normal sense of smell or taste?		
Have you been in direct personal contact (within 2 metres), with anyone who has been diagnosed with COVID-19 within the last 14 days?		
Have you been in direct personal contact with anyone who has symptoms of COVID-19 within the last 14 days?		
Have you had a positive COVID-19 test result?		

If you have answered Yes to any of the above questions you must not enter this building.

If you have answered No to all the above questions:

- You may visit a resident in their room for up to 1 hour
- Please restrict numbers to 2 visitors at a time
- Please wear a facemask in communal areas and do not linger in these areas
- Please observe hands, face, space and keep distanced from other residents and staff
- Ensure room being visited is well ventilated

In addition, please ensure you have had a negative Lateral Flow test before each visit.
Please sign below to indicate you agree to adhere to above advice
